INSTALLATION INSTRUCTIONS

PART No. FB22047, FB22048, FB22049

**Jeep® TJ Wrangler 1996-2006
Piranha Series TJ Front Bumper**

1) REMOVE YOUR FACTORY BUMPER

Begin by removing your factory bumper. Ensure you disconnect your factory fog lights (if equipped) before you pull your bumper away.

3) MOUNT YOUR D-RINGS

2) INSTALL YOUR BUMPER

Lift the bumper up to the frame of the Jeep. Secure the bumper to your frame in the stock bolt locations with the supplied ½" hex bolts.

4) ENJOY YOUR NEW FISHBONE OFFROAD BUMPER!
